PUBLIC NOTICE

This is to advise that the Pointe Coupee Parish Police Jury is closing all parish operated boat launches into False River until further notice. The high water level and the amount of debris in False River presents a significant safety issue for watercraft. We recommend that all privately operated boat launches into False River also be closed until it is safe to allow watercraft to operate.

When parish officials confirm the water level at 17 feet, the Sheriff and LA Department of Wildlife & Fisheries will perform an inspection of False River for any debris, and once the river is deemed safe it will be reopened to boat traffic.
